What is the _____ on
which I will _____ my life?

You will either build your life on the
_____ or you will build your
life on the _____

Psalms 119:81; Isaiah 40:8

If you want a faith that is unshakable
we need to stop building on

Matthew 7:24-25

The answer is not, "How do I make
the _____ like up with my _____?"

The answer is, "How do I make my

you might just be worshipping an idealized
version of _____."*

HOW?

- Get a _____
- Get a set _____
- Get a _____

- 1** What would you say have been your top 3 life defining moments? How the decisions you make help define your life?
- 2** Have you ever made any life defining decisions that did not turn out well? What do you think the problem was?
- 3** **I Corinthians 3:10** *“By the grace God has given me, I laid a foundation as an expert builder, and someone else is building on it. But each one should be careful how he builds”* Why is it important to “be careful how you build”?
- 4** God’s Word is our foundation and the building blocks for that foundation. If the Bible is such an important book, why do you think that **only about 30%* of Christians actually read the Bible on a personal level regularly*?
**Statistic from American Bible Society*
- 5** **Romans 10:17** *“So then faith comes by hearing, and hearing by the word of God.”* Have you ever thought about how much you wouldn’t know if it were not for the Bible? What do you think your life would look like without it?
- 6** **James 1:21** *“humbly accept the word planted in you, which can save you.”* Why do you think people push back on the things the Bible teaches?
- 7** Deconstructing faith is a popular thing people are doing. What it means is that people are going through the Bible basically altering or taking out the parts they don’t agree with or fits their chosen lifestyle. Why would this be a dangerous practice?
- 8** Can you explain why the Bible is considered a “Mirror”?
- 9** Hunger for God’s word is the last point. How would you rate your hunger for God’s Word in your life on a scale from 1-10? Does that concern you? What will you do about it?
