- 1 Do you agree with the definition (found below) of a Miracle? Share a miracle that has happened in your life according to this definition.

DEFINITION OF A MIRACLE: A miracle is an extraordinary event that surpasses natural or human capabilities as a result of God's intervention, giving evidence of His power and His presence in our lives.

- 2 What is the purpose of miracles in our life?
- 3 Why do you think some "Christians" no longer believe God does supernatural miracles?
- 4 How does it challenge your faith when God doesn't do a miracle you are believing for? How can you navigate those moments in your faith-walk?
- 5 How does this verse challenge or encourage you?
John 14:12 *"I tell you the truth, anyone who believes in me will do the same works I have done, and even greater works, because I am going to be with the Father."*
- 6 What does "Miracle Faith" look like to you?
- 7 Talk about the 4 descriptions of faith according to **Mark 10:46-51**. What are some truths that stand out to you for each point?
