Mindset of Freedom

John 8:36 *So if the Son sets you free, you will be free indeed*

Psalms 24:1 (ESV) *The earth is the LORD’s and the fullness thereof, the world and those who dwell therein,*

- 1 When you think about money, what emotions immediately come to mind (fear, peace, stress, hope, freedom, etc.)? Where do you think those feelings originated?
- 2 Have you ever caught yourself saying or thinking, “There’s never enough”? How might that belief reflect a lack of trust in God rather than just a financial situation?
- 3 In light of **Philippians 4:19**, what does it practically look like to believe that God is your supply, not your job or income source?
- 4 In what ways might you be avoiding your financial reality (not budgeting, not checking statements, living off the app balance, etc.)? What would “owning your financial situation” look like for you?
- 5 Where might pride subtly show up in your financial thinking—either in the form of “I deserve this” or “Someone owes me”? How does humility change the way we handle money?
- 6 **Romans 12:2** teaches that transformation comes by renewing the mind. What is one specific belief about money that you need God to renew or reshape?
- 7 If everything belongs to God (**Psalms 24:1**), how does that change the way you view spending, saving, giving, and debt?
- 8 Which of the three wrong mindsets (Scarcity, Avoidance, Entitlement) do you most identify with right now? What is one practical step you can take this week to move toward a Freedom Mindset?
