II Corinthians 9:6-7, 11

- 1 Have you ever experienced a time when someone's generosity surprised or blessed you?
- 2 Some people believe the church shouldn't talk about money. Why do you think the Bible talks so much about finances, and why might this topic be uncomfortable for people?
- 3 Why do you think God establishes principles like tithing for His people?
- 4 **Deuteronomy 14:23** says the purpose of tithing is to teach us to put God first. In practical terms, what does it look like to put God first in your finances?
- 5 Tithing requires trusting that God can bless the remaining 90%. Have you ever had to trust God financially in a difficult season? What did you learn from it?
- 6 When people invest financially in the church, their heart becomes connected to the mission. Why do you think financial investment can deepen our sense of ownership and participation?
- 7 How does giving to the church or missions help you feel connected to what God is doing locally and globally?
- 8 God's blessings aren't always financial (peace, restored relationships, joy, etc.). What kinds of blessings do you think people overlook when they think only about money?
- 9 How can this group pray for you regarding your faith, finances, or trust in God's provision?
